

PERFECTION IN DETAIL.

The Hanse Orga Group of companies houses the brands Hanse Orga, cogon and SymQ. We unite our strengths and form a unique one-stop shop for financial professionals, managers and treasurers seeking the perfect solution for their individual corporate requirements. Our solutions range from SAP-integrated finance software for higher levels of automation and efficiency to ERP independent solutions for best results in corporate finance. We also offer SAP Treasury Consulting for unveiling the hidden treasures in the SAP standard applications. If you would like to know more about our group and products, please visit our website www.hanseorga-group.com.

We are looking to fill, at the earliest possible date, the following position:

IT Project Manager (R-ID: 16PS03)

Your Responsibilities:

You assume end-to-end responsibility for the implementation of our specialised "Finance Suite" add-ons in an SAP environment. You provide leadership to cross-functional teams, ensure adherence to project management best practices, mentor your project team members, perform project management reviews and strengthen the group's knowledge and talent pool by appropriately communicating best practices gathered from lessons learned and from your previous experience.

Your Profile:

To be successful in this position you need to have the qualifications, experience, business acumen and negotiation skills that enable you to manage complex, concurrently running, specialised SAP finance integration projects spanning up to hundreds of man days. In this regard you need the following functional skills:

- University degree in Computer Science, Business Administration, Accountancy, Economics or any other relevant field of expertise or combination thereof
- Solid IT background, ideally within an SAP environment, if possible within FI/CO and/or TRM
- Some solid economic background
- At least 5 years external consulting experience
- Demonstrated experience leading cross functional teams within a formalized methodology
- Demonstrated experience in managing issues, scope and quality while bring projects to successful completion within the cost and time requirements
- Demonstrated success in satisfying stakeholder needs within a project environment
- You are a team player and have excellent command of both English and German
- Strong writing, mentoring, decision making, communication, and meeting facilitation skills
- Adaptability and flexibility to manage deadline pressure, ambiguity and change
- Strong leadership, organizational and interpersonal skills
- You should be prepared to travel up to 80%

We offer:

- An exciting and creative work environment in a dynamic team with challenging projects
- Innovative technologies
- Projects with well-known national and international customers
- Extensive training/advanced training in the SAP environment
- Performance-related, attractive salary package
- Career opportunities in a growing, successful company
- Home-Office

Does this sound like you? We are looking forward to your application that includes your desired salary expectations and possible start date. Please send your application to recruiting@hanseorga.com or give us a call for more information.

By sending your application you consent that our external service provider, Rudolf Schlett & Consultants GmbH, will process it confidentially.
